AQUA-LINE

Reginox developed the Aqua-line washbasins in accordance with all requirements for durability and hygiene. These designer washbasins are made of 18/10 chrome nickel steel by way of a permanent process with the least possible amount of dimensional tolerances.

S-LINE

Special finishing of designer applications the Aqua-lines Amazone and Caribbean are available as S-line models. The finishing of the edge of these washbasins allows partly mounting outside the working surface. All Aqua-line washbasin models are also available with a polished outside, allowing mounting 'in view'.
